

## JC Legacies Fund Capital Acquisition Grant

The VNCS was awarded a grant of \$8,272 for purchasing of reusable items that we use at our events. The prime acquisition was the purchase of 70 custom happi coats. We also purchased a mochi making machine, takoyaki grill, a taiyaki grill, a large griddle and 10 anko scoops and red & white festival banners. The new appliances will expand our capacity to make food at our fund raising events. We came in at only \$72 over budget.
