

VNCS Membership Annual Report 2024

Prepared by Tsugio Kurushima

The incumbent membership Chairperson, Joyce Tobo, resigned in July, 2024. Tsugio Kurushima took over. We have 2 members who will take on Membership Committee, starting in February, 2025. – Joanne Rollins and Margaret Cooke.

We acquired the paid version of Membership Pro to run on our Webs site. Although it is an improvement to the free version, it still has deficiencies that prevent from being used as our prime membership software. So, memberships are still managed manually using a spreadsheet.

Our total memberships at the end of 2024 was 165 as compared to 162 in 2023. Here are the membership statistics.
